

2014 Listing of Participating Dentists for Plans Administered By Arrow Benefits Group

This listing is correct as of September 25, 2014. Please note that there may have been changes since the date this listing was uploaded. Therefore, we suggest you ask your dentist at the time of your visit as to his or her current status with Arrow Benefits Group.

The listing contains the names of **Participating Dentists** for the self-insured plans administered by Arrow Benefits Group.

A person eligible for benefits may select the services of any licensed dentist. However, if the dentist visited is a **Participating Provider** of Arrow Benefits Group's network, the dentists have submitted their fees and have been approved for 100% reimbursement less any applicable co-payments and/or deductibles.

If you select a **Non-Participating Dentist**, the administrator will pay allowable charges on an average fee schedule in accordance with the provisions of your program, as outlined in your brochure. If there is a balance due, however, it is your responsibility.

This listing is in alphabetic order by city. Specialty codes are listed by the dentists' names for easy reference to a specialist in your area.

GD - General Dentists provide a full range of services for the entire family.

EN - Endodontists specialize in diseases of the tooth pulp, performing such services as root canals.

PD - Pediatric Dentists generally limit their practice to children and teenagers.
